22) There is no uniformity in the proposals received from the Deputy Commissioners as regards the officers who should be appointed as ex-officio members of the District Boards to be constituted from the 1st February 1927 Under the present rules the Deputy Commrs. are the Presidents of all the District Boards except 3 which will under the new constitution have elected Presidents. It is necessary therefore that the Deputy Commissioner should be an ex-officio member in the case of five District Boards In the case of others it is expedient to have the Treasury Officer of the District or the Sub-Division-Officer at the District Head Quarters as an ex-officio member. The District Medical Officer, the District Inspector of Education and the Executive Engineer are at present ex-officio members of District Boards, and in certain Districts the District Forest Officer is an ex-officio member. In the Mysore District, the Asst. Registrar of Co-operative Societies is also an ex-officio member.

23) The Deputy Commissioner of Tumkur considers that it is not necessary to have ~~xxx~~ officers like the District Inspector of schools as members of the Board as they may be requested by the District Bds. to attend the meetings when their advice or presence is found necessary and he considers that Sub-Division Officers may be appointed as members of the Board as they will be in charge of Village Panchayets and that it will be necessary that these officers should be in touch with the working of the District Board. Mr. S. Hiriamaiya as Deputy Commr. of Kolar and of Bangalore considers that it is no longer desirable

to nominate Govt. officers to Local Bodies and that the only purpose they can usefully serve is to offer technical advice on matters relating to their respective Departments. He adds that in the case of the Bangalore District Board at any rate there seems to be no necessity at all to nominate Govt. officers as members and that the public would welcome an innovation of this kind.

24) In this connection it is submitted that under Secn. 35 of the District Boards' Regulation the Dt. Sanitary Officer, the District Medical officer, the Senior Surgeon, the Sany. Commr. the Veterinary Officers, the Director of Agriculture, the Deputy Director and Assistant Director of Agriculture, the Director and Deputy Director of Industries, the Executive Engineer, the District Inspect of Schools and the Registrar and Asst. Registrar of Co-operative Societies are, if they are not already members, entitled to attend any meeting of the District Board or of any committee thereof, and to address the Board or the committee on any matter under discussion affecting their respective Depts. and they should furnish their advice in such matters whenever desired by the Board or the committee If the proposal of Mr. Hiriannaiya is accepted it will enable Govt. to nominate non-official gentlemen to the Boards so that all impo tant communities and interests may be given adequate representation. Such of the officials as are now members of the Board and others whose presence is necessary at the meetings may then be instructed by a G.O. to attend/all the meetings of the Dt. Bds.

Serial No.

This will also enable the District Bds. to utilise the services of the officers as heretofore, with this difference that they cannot vote on subjects coming up for discussion. The maximum strength of the District Boards the number of members elected and the number that may be filled up by nomination or by ex-officio members ~~are noted~~ are shown below

25) The proposal of the Deputy Commr, to nominate S.D.O's seems to be a good one as they will have a working knowledge of the Dt Bds and this will be useful to them, in their administration of Taluk Panchayaths

26) The suggestion of the Kiriyamma for appointing Women also any officials

	is for consideration whether the Govt. it would be expedient at present to have a purely non-official body, so that the Govt. may be cognizant of the happenings at the meetings of the Boards is also a point for consideration. It is no doubt true that the DC has under the new Regn greater powers of Control than under the old, and that the maximum official elements if appointed will not outnumber the votes of the non-official members. But this seems to be not a sufficient ground for keeping the officials out of the Board altogether (18 members)

With reference to your letter No. L. 3362-9/L.B. 62-26-100dated the 23rd ultimo requesting me to state what officers of Government may be appointed as Ex-officio members of the District-Boards to be constituted from 1st February 1927 etc., I have the honour to state that as under Section 5 (1) (3) of the New District Board Regulation III of 1926, the number of elected members cannot be less than two-thirds of the whole Board, strength of this District-Board can only be 31 members, the elected members from the several General constituencies in the District being only 21 as prescribed by Government and there being no elections from special constituencies in the District for the present.

As such there can only be 5 salaried servants of Government and 5 nominated members on the Board, besides 21 elected members.

The marginally noted officers of Government may therefore be appointed as Ex-officio members

1. Deputy Commissioner of the District
2. Executive Engineer.
3. District Medical Officer,
4. Sub Division Officer, Gubbi.
5. Sub Division Officer, Maddagiri.

members of this District Board

I have suggested the Sub Division Officers being nominated as they will be in charge of Village Panchayets and it is necessary that these officers who will be intimately connected with Local Self Government work in future, should be in touch with the working of the District Board

Officers like the District Inspector of Schools who are being nominated at present may be requested by the District Boards to attend when their advice or presence is found necessary

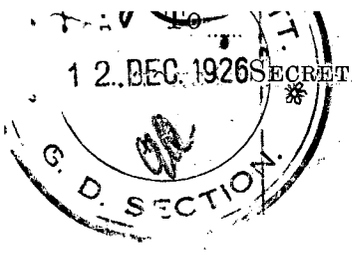
SIR,

With reference to your ~~letter~~ No:L.3362-9/L.B.62-26-100 dated 23rd November 1926, calling for my opinion about the appointment of Government officers as Ex-officio members of District Boards, I have the honor to state that I am not in favour of appointing any of the officers of Government as Ex-officio members of District Boards or Municipalities, except such as have to be appointed Presidents. The seats thus released may be filled up by non-official gentlemen and thus minimise the chances of small caucuses being formed within the Boards.

2. I have found by experience that official members naturally and rightly refuse to participate in discussions whenever they happen to be of a partisan character and their only use is in offering technical advice to the Boards or Councils. This of course they can do even as non-members as they are bound to attend the meetings of the Board, whenever requisitioned to do so.

3. I know of Boards in the Madras Presidency which do not contain a single official member.

I have the honor to be,
S i r,
Your most obedient servant,
Treasury Assistant Commissioner,
For ~~Deputy Commissioner~~,
Kolar District.



SECRETARY TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
LOCAL AND LEGISLATIVE DEPARTMENT.

Sir,

With reference to your letter No. L. 3362-9 L.B. 62-26-100 dated 23rd November 1926 regarding the membersto be appointed ex-officio or by nomination to the Chitaldrug District Board to be constituted from 1st February 1927, I have the honor to state that the number of elected members on the new Board will be 21 (18 from the general constituencies as laid down in Rule 1 of the rules issued with Government Notification No. L. 1311 L.B. 25-26-3 dated 21st August 1926 and three from the special constituencies as sanctioned in Government order No. L. 2916-23 L.B. 26-26-25 dated 5th November 1926 and as such the total strength of the New Board is to be limited to 31 as clause (3) of section 5 of the District Board Regulation requires that the number of elected members shall be not less than two thirds of the whole Board If the strength is thus limited to 31, the number of ex-officio and nominated members will be ten only. Out of this ten, not more than five could be appointed as ex-officio members to the Board under the same section. I, therefore, propose that five seats may be set apart for being filled up by nomination and the remaining for ex-officio members who will be the following:

1. Deputy Commissioner of the District. Ex-officio President.
2. Revenue Sub Division Officer, Davangere
3. do Chitaldrug
4. Executive Engineer, Chitaldrug Division.

SIR,

With reference to your D.O.Letter No.L.3684-5 dated the th instant, desiring to be furnished with a report as to what officers Government may be appointed as ex-officio members of the District Board and how many seats may be allotted for being filled up by nomination of non-official members to the Board under reconstitution, I have the honour to forward herewith a copy of letter No.A5-C.1383/26-27 dated 4-12-26, already submitted by my predecessor, Mr.Hiriannaiya, in reply to your letter of the 23rd ultimo for favour of perusal.

2. I generally agree with my predecessor in the view expressed by him but I am not in favour of entirely depriving the Board of the valuable assistance and co-operation of certain Government Officers, whose nomination to the Board has been a longstanding privilege and, in fact, is absolutely necessary and cannot therefore be dispensed with all atonce. I really appreciate the idea of Mr.Hiriannaiya that the representation of non-official gentlemen appointed by nomination should be strengthened as far as possible, and particularly so, in view of the fact, that several minority communities who cannot procure representation on the Board by elections, should be given a chance of representation at least by nomination.

3. According to the existing constitution of the District Board the Executive Engineer, the District Medical and Sanitary Officer the District Treasury Officer and the District Inspector of Education are the 4 nominated official members. But I think it unnecessary to appoint the last named three officers as ex-officio members of the Board, as the District Treasury Officer has very little to do with the Board and the services of the remaining two can be obtained by the -

Sir, HB 62-26 223

In modification of my predecessor's letter No.C.2-318/26-27 dated 1st December 1926 regarding the strength and composition of the new District Board, I have the honour to state that it is no longer desirable to nominate Government officers to local bodies The only purpose they can usefully serve is to offer technical advice on matters relating to their respective departments and this can best be secured by rules framed under Section 99 of the New Regulat corresponding to the rules now in force under the Regulation about to expire

2 The non-official members of District Boards have begun to take the keenest interest in their affairs and my experience has shown that they are not now in need of guidance by official members. The new District Boards will be presided over by non-official gentlemen of capacity and status who do not require and will not consent to be under the leading strings of Government officers.

3. The removal of official members would also be in accordance with the declared policy of Government to deofficialise self governing institutions as far as possible and I know of instances in British India (Anantapur District Board for instance) where the District Boards do not contain a single official member. In the case of the Bangalore District Board at any rate there seems to be no necessity at all to nominate Government officers as members. The public would welcome an innovation of this kind.
